*John J. Johnson, Executive Director  
Kentucky Commission on Human Rights  
332 W. Broadway, Suite 700  
Louisville, Kentucky 40202*

*Dear Mr. Johnson:*

*Congratulations to the Kentucky Commission on Human Rights on the celebration of fifty years of service to the Commonwealth of Kentucky. This is a tremendous milestone in our history of which all Kentuckians should be very proud!*

*Although I was not a member of the General Assembly in 1960, I am happy that Kentucky was the first state south of the Mason-Dixon Line to have a human rights commission. We have made giant strides in eliminating discrimination in the areas of employment, housing, public accommodations, and financial transactions based on a person's race, color, religion, gender, and physical abilities.*

*It is my sincere hope that when the time capsule is opened in 2060, my great-great-grandchildren will be filled with a sense of pride in knowing that their great-great-grandfather was part of the human rights movement.*

*Sincerely,*
